## Self Evaluation

The purpose of this form is to provide Our Pastor Search Committee with a view of how you see yourself. Your references will be receiving the same form. Be as candid as possible and indicate as honestly as you can what you believe your capabilities are in ministry.

**Identify a maximum of 12 ministry emphases** which you believe best describe you and your current ministry. Write the 12 numbers for the characteristics you believe are strongest in the blanks provided at the end of this list. An item not chosen should not be deemed an indication of weakness. **Do not rank them.**
